

Ranking the Goals of Punishment

Ranked 1st 2nd 3rd 4th (last)

Study 2, N = 948. Participants ranked four reasons for punishment from best to weakest: "Criminals deserve to be punished" (retribution); "While they are locked up, prisoners cannot commit other crimes" (incapacitation); "Punishment deters others from committing crimes" (deterrence); "Prisoners get rehabilitated in prison" (rehabilitation).
